RESPONSE TO RESTRICTION REQUIREMENT

Dear Sir:

In the Office Action dated November 5, 2003, the Office has required a restriction between the following inventions:

I. Claims 1-4 drawn to an apparatus for accessing a database to retrieve at least one element in the memory resident data model; and

II. Claims 5-7 drawn to a method for initiating a software application for loading a design file using a parser.

Applicant hereby elects the invention in Group I including claims 1-4, without traverse. This election is made without prejudice, and Applicant reserves the right to pursue the claims 5-7 drawn to the method in a later divisional application.
